5. Once you have logged in to the first screen you may be prompted to change your password. You may be requested to re-enter the password you used to log in and then create a new password. *Note the requirements for the password above the prompt.*

Password Requirements

- Minimum length is 8
- At least one number
- At least one capital and lowercase letter
- At least one symbol that isn't a letter or number
- Can't contain 'password', login name, first name, middle name, last name, date of birth, personal id, or only sequential letters or numbers

6. Congratulations you are now at the main page. In the upper right corner please click on your name and then select “Set Preferences” below.

7. In the preference tab for ‘security’, you may need to update your security question and answer. If you are logging into MyEd for the first time this is a requirement. Ensure that you finish the process by clicking “OK”.

It has four rows: 'Security question' with a dropdown menu showing 'What is your favourite vacation spot?'; 'Security answer' with a text input field containing dots; 'Confirm answer' with another text input field containing dots; and 'Password' with a blue 'Change' link.

8. To find your schedule look at the tabs on the top of your screen, select “My Info.” Then in the side tabs find, “Current Schedule.”

9. You have 2 views to choose to see your schedule. The Matrix View shows the courses listed by term (FY, Q1, Q2, Q3, Q4, S1, S2). The List View shows the courses listed on one page for quick reference and can be sorted by clicking on the top of the column for how you would prefer to sort.
