POTTERY CLUB

There will be a short and sweet Pottery Club meeting **today after school in the art room**. We will go over the spring schedule, sign up for planned workshops, and go through the cabinet to see if your work is ready to take home. New and returning members are welcome.

The Burnsview Soccer Intramurals is coming soon. This is a Co-Ed tournament, where every team must have a mix of genders on their roster. The team sign-up sheets are in the lower hallway by the gym. Only write down the names of students who have confirmed they will play on your team. Any teams that are not Co-Ed or have names of people who will not play on their roster can be disqualified.
