Hey Burnsvew, Happy Lunar New Year! Lunar New Year is celebrated in recognition of the arrival of spring and the new year, according to the lunisolar calendar. This year Lunar New Year falls on Saturday, February 10 and we will be celebrating the year of the dragon.

Many of you may be familiar with the red envelopes that are given out as a symbol of good wishes, luck, and protection from evil spirits for the year ahead. Although, they were traditionally given to children, today red envelopes are given to friends and family of all ages.

Burnsvew, we are very excited to share that you can now send your friends at school their very own red envelope candy gram. Come to the foyer on Tuesday February 6th to purchase your candy gram envelope for \$1. Do not miss out on the opportunity to send your friends good wishes, luck and protection for the year ahead.
