INTRAMURALS

There is an important meeting for all Handball Intramural teams at the beginning of lunch on Monday, March 11 in the gym. All players from every Co-ed handball team must attend. There are a lot of people who want to participate, but did not get a team registered, so if your team is missing players during this meeting, the team could be in jeopardy of being removed from the event. Any people who are interested in entering a team, but have not yet done so, please attend the lunch-time meeting with all the players who will be on the team.
