

All Grade 8 and new students and their families are invited to attend a **New Student & Family Welcome Event on Thursday, August 29 from 5:00 - 7:00 pm**. This will be a very informal event. Students and families may drop in at anytime between 5:00 and 7:00pm. Students will have the opportunity to pick up a hardcopy of their schedule and walk around the building. This will offer students the chance to locate specific classrooms in advance of the first day of school. School administration and student mentors will be available to answer questions and assist students in finding specific classrooms.
