

## WEDNESDAY, JANUARY 29, 2025 ANNOUNCEMENTS

### MULTICULTURAL CLUB

Lunar New Year is a unique celebration in which families pay respect to ancestors and wish each other luck, health, and happiness. Each year, millions worldwide commemorate this event. To add some excitement to our celebrations here at Burnsvew, we've decided to hide 40 red envelopes with chocolate coins around the school! Each envelope has a special Lunar New Year message inside, filled with good wishes and a little chocolate surprise to kickstart the year with positivity and fun.

Your mission is to find one of these hidden envelopes! They will be scattered in different places around the school. It's a great way to bring some good luck and a festive spirit to our school community. We hope that this small treasure hunt brightens your day and brings you happiness and luck in the coming year.

Happy Lunar New Year, Burnsvew!!
