

TUESDAY, FEBRUARY 25, 2025 ANNOUNCEMENTS

COLDEST NIGHT OF THE YEAR

Thank you to everyone who donated to Delta Assist's Coldest night of the year fund raiser. My Cogle's A block class was the winner of the pizza party.

CAREERS

All students applying to the train in trades program should come to room 101 during ILT today for the assessment.

SEWING CLUB

Sewing club will be today afterschool from 3-4pm in room 123! Hope to see you there!

ATHLETICS

Track and Field

There is an information meeting today at lunch in room 101 for the upcoming track and field season.

Ultimate

There is an information meeting for Ultimate Frisbee for grades 10-12 students in room 101 at lunch tomorrow.

BLACK HISTORY MONTH

Today's Black Brilliance info is about Dr. Alexandra Bastiany, who is a cardiologist, which means that she specializes in being a doctor that helps people with their hearts. She works at Thunder Bay Regional Health Centre. She was the first Black female Canadian Interventional Cardiologist. She speaks three languages and was born in Montreal. She has won many awards and is a role model for many Black girls and women.
